Only a few more days until school starts! Here's what to expect during the first two weeks of school while we follow the Hybrid Learning model:

IN PERSON LEARNING DAYS

- On days that your Group is in school, you will be following a regular schedule face-to-face.

VIRTUAL LEARNING DAYS

On days that your Group is not in school (virtual day), there will be assignments pushed out to students through:

- Seesaw (Ekstrand)
- Google Classroom (Intermediate School)
- Canvas (7th-12th)
- The work on virtual days will be independent student work based on the instruction and guidance students received while face-to-face. Group B students will not have independent work August 24-26.
- There will not be Zoom meetings on virtual days while the Hybrid Model is in place. Teachers will be face-to-face with the other Group of students all day.

ACCOMODATIONS

- Groups were developed so that households across K-12 are in the same Group. If there was an oversight on our part by assigning household members to different groups, please let us know. Aside from keeping households together, we will not be able to accommodate special requests so that we can keep classes balanced.
- If you have a student with an IEP, we will be reaching out to discuss potential accommodations and supports.

LAPTOPS

- Group A students will receive their laptops and instructions on using them, getting set up in the online platforms and other necessary supports on Monday, August 24.
