CAMP FEATURES

The Saber Boys Basketball Camp is directed by Coach Grady Gallagher and the Varsity Basketball Coaching Staff. Also coaching will be current players in the program, former players, and other coaches in the area, all with great knowledge in basketball fundamentals. The goal of our camp is to teach the fundamentals of basketball and how those little things can be improved and worked on at home, during practice, and during games. We will have fun together learning about the game while working on the proper techniques and improving for next basketball season.

The Camp features great fundamental emphasis, individual skill development and several coaches will be able to build relationships with our players. Participants will earn a Camp-T-shirt, Camp Basketball, and some basketball competitions. All camp proceeds benefit high school team camps and scrimmages. GO SABERS!
